LUMINAIRE

- Watt: **4W**

- Voltage: 220-240V

- Delivered lumens output: 257lm

CCT: 3000KEfficiency: 80%Efficacy: 64.31lm/W

- CRI: 0

Notes

Maximum bulb length: 80mm. Maximum bulb diameter: 50mm

DESCRIPTION

nh continues the study on the dynamic interaction of expertise, details, materials, form, and light that Neri&Hu are developing with Artemide. The selected materials represent a perfect combination of tradition and innovation, as well as the expression of responsible and sustainable design, also conveyed by the use of a lowconsumption retrofit LED source. Like all the projects designed by Neri&Hu, nh offers a reinterpretation of the Oriental culture and tradition with a constant contemporary approach. With surprising lightness and elementary movements nh creates a landscape of elements generating – either individually or combined with each other – a non-static balanced composition characterized by elegant colour and material matching.

PRODUCT CODE: 1277010A

FEATURES

Article Code: 1277010AColour: Black/brassInstallation: Wall

- Material: Blown glass, brushed brass

Series: Design CollectionEnvironment: Indoordesign by: Neri&Hu

DIMENSIONS

Length: cm 32Diameter: cm 14Depth: cm 15

SOURCES NOT INCLUDED

- Category: **LED RETROFIT**

Number: 1Watt: 5WSocket: E14
